This writ petition is filed for a direction to the respondents to release the incentive under Ext.P1 to the petitioner for production of quality seeds. Ext.P1 provides for subsidy @ Rs. 1000/- for those farmers who are producing two tonnes of seeds from a hector. It is seen from Ext.P1 that the monitoring agency is Seed Development Authority, Alappuzha. The petitioner has not made Seed Development Authority as a party in this writ petition and there is no data furnished about the cultivation and the result achieved. In the circumstance, this writ petition is disposed of directing the petitioner to collect supporting data and recommendations from the Seed Development Authority and approach the 1st respondent for giving incentives based on recommendations of the Seed Development Authority.

This writ petition is disposed of as above.

(C.N.RAMACHANDRAN NAIR, JUDGE.)
